TERMS AND CONDITIONS OF CREDIT

- 1. Acceptance of the Terms and Conditions of Sale.** The Applicant and, if applicable, any individual completing the credit application form to which these Terms and Conditions of Credit apply, hereby acknowledge having read, understood and accepted the Terms and Conditions of Sale incorporated herein by reference.
- 2. Entire Agreement.** The Credit Application Form (including these Terms and Conditions of Credit), is between IMPRO, a division of Pol R Enterprises Inc. (“IMPRO”) and the Applicant, and, together with the Terms and Conditions of Sale incorporated herein by reference, form the entire agreement between IMPRO and the Applicant and apply to any and all transactions IMPRO and the Applicant, unless otherwise specifically agreed to in writing.
- 3. Extension of Credit.** The Applicant hereby applies to IMPRO for credit to be extended to it and agrees to provide, upon request, such further and other documents and information in order for the Applicant’s credit application to be assessed and/or approved or for the continued extension of any credit granted to the Applicant, including but not limited to, financial statements, corporate and/or personal guarantees or such other security required or acceptable to IMPRO. The Applicant acknowledges and agrees that, notwithstanding its request for credit to be extended to it by IMPRO, IMPRO is under no obligation to extend credit to the Applicant and that, if IMPRO does extend credit to the Applicant, IMPRO may thereafter refuse to extend credit, refuse to increase the amount of credit available to the Applicant or require the provision of security or additional security by the Applicant, increase or decrease the amount of credit previously extended to the Applicant, or suspend, modify or cancel its extension of credit to the Applicant and/or the Applicant’s credit privileges at any time without notice or reason being given for such refusal, modification, suspension or cancellation.
- 4. Credit Verification and Consent.** The Applicant hereby consents to IMPRO obtaining, collecting, using, disclosing, investigating, retaining or exchanging any personal information provided by the Applicant for the purpose of assessing credit worthiness, making decisions about the Applicant’s credit application, responding to inquiries about credit applications and monitoring, evaluating, servicing and collecting on the accounts established pursuant to the granting of credit. The Applicant further consents to IMPRO establishing and maintaining a file of personal information and acknowledges that IMPRO may retain any personal information obtained as part of the credit application process whether or not the requested credit is granted. The Applicant authorizes IMPRO to conduct a personal investigation of the Applicant, including to investigate credit records, obtain consumer credit reports and to obtain any other available reports or information concerning credit history from any bank, supplier, credit reporting agency, credit bureau, collection agency or any other person with whom the Applicant has a financial relationship and to disclose consumer and other credit information to such entities at any time that any credit granted to the Applicant remains unpaid.
- 5. Invoices and Payment.** All invoices sent from time to time by IMPRO to the Applicant who has obtained credit from IMPRO will be due in accordance with the payment terms thereof and payable to IMPRO within thirty (30) days of the date of invoice. All past due invoices and overdue account balances will accrue interest at a rate of 2% per month, calculated daily and compounded monthly (26,82% per annum) and will be payable on demand. The Applicant agrees to pay and shall indemnify and hold harmless IMPRO in respect of such interest charges together with all costs, losses, charges, expenses and liabilities of IMPRO related or incidental to any collection efforts or the enforcement of any of its rights (including legal fees and expenses on a full indemnity basis).
- 6. Certification.** The Applicant and, if applicable, any individual completing the credit application form to which these Terms and Conditions of Credit shall apply including the guarantor hereof, jointly and severally represent, warrant and certify that: (i) the information provided in its credit application is true, complete and correct and has been submitted as a material inducement to obtain commercial credit from IMPRO; (ii) it will notify IMPRO in writing of any change in its legal name, ownership, corporate status or location within five (5) business days; (iii) the Applicant, or, if the Applicant is not an individual, the authorized representative of the Applicant, is authorized to execute credit applications and other documents required to establish commercial credit accounts on behalf of the Applicant; (iv) the Applicant authorizes any of its employees to execute in the name and on behalf of the Applicant online orders, purchase orders, works orders, or any other documentation to evidence the present or future obligations of the Applicant to IMPRO and any documentation so executed will be valid and binding upon the Applicant; and (v) it has obtained a copy of, read, understood and agrees to these Terms and Conditions of Credit.
